All singles in the community are invited to attend our events and activities! Unless otherwise noted on the calendar, groups meet in the west parking lot to leave for activities.

When attending any of our events, please invite a guest to come along! Participants do not need to be a member of MDUMC to attend. Any events listed on the calendar or the website or in the In the Know newsletter are alcohol-free and are safe, welcoming activities.

Our Singles Ministry is always looking for single adults who have a special interest, hobby, or calling. Our goal is to form new groups made up of singles who have the same interests. Please share this information by calling the SAM office.

For more information about any of the activities or to sign up, please contact Sheri Kelley, the Singles Director, at sherikelley@mdumc.org or call her at 713/468-8356, ext. 119.
